

Studio Event Price Guideline

Basic Cost and Studio Rental

- Half-hour set up before and after event Free
- Facility, lights, heat staffing for event
\$150/hr
- Glassblowing and demonstrations
\$150/hr

This includes 2 glassblowers trained to work with the public giving demonstrations and engaging the crowd, passing out handouts, and talking about the history of glassblowing and current day operations of Furnace Design Studio.

Catering:

We would be happy to provide reputable businesses in the Dearborn area to cater your event once we know more of your needs and event theme.

Tables & Decorations:

We have a small limited number of tables available for use; however, we strongly suggest going with a catering company to set up tables and cloths, stem ware, serving plates, etc. using your color and theme.
